STATEMENT OF OBJECTS AND REASONS

The purposes for which the welfare funds constituted under the Mica Mines Labour Welfare Fund Act, 1946, the Limestone and Dolomite Mines Labour Welfare Fund Act, 1972, the Iron Ore Mines, Manganese Ore Mines and Chrome Ore Mines Labour Welfare Fund Act, 1976 and the Beedi Workers Welfare Fund Act, 1976 can be applied by the Central Government are specified in the Acts. In view of the importance and urgency of moderating population growth, the Bill provides that the welfare funds can also be applied for the provision of family welfare including family planning education and services.

The Beedi Workers Welfare Fund Act, 1976 provides that grants-in-aid may be given to the State Governments or local authorities or to the employers who provide welfare facilities for the benefit of persons engaged in beedi establishments. The Bill also seeks to enable the Central Government to give grants-in-aid to such agencies which fulfill the criteria prescribed by rules made under the Act in order to provide welfare measures and facilities to the beedi workers.

The workers in the beedi industry are largely un-organised or semi-organised. For the provision of welfare facilities, it is necessary to first identify the workers. The Bill seeks to enable the Central Government to prescribe the form in which identity card to a person engaged in beedi establishment may be granted; and also to provide for punishment in the event of failure to provide the identity card.

NEW DELHI;

The 28th November, 1986. PURNO A. SANGMA.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 5 of the Bill, *inter alia*, seeks to amend clause (c) of sub-section (1) of section 4 of the Beedi Workers Welfare Fund Act, 1976 so as to empower the Central Government to apply the Fund to meet the expenditure incurred in connection with payment of annual grants-in-aid also to certain agencies in addition to the State Government, local authority or an employer. It is being provided that the criteria for the eligibility of such agency is to be determined by the Central Government in accordance with the rules to be made under the Act.

2. Clause 7 of the Bill seeks to insert a new clause (ja) in sub-section (2) of section 12 so as to provide for in the rules the form in which an identity card may be issued by an employer to a person engaged in a beedi establishment. It also seeks to provide punishment for the breach of such rules by suitably amending sub-section (3) of section 12.

3. The matters for which rules may be made are of matters of detail. The delegation of legislative power is, therefore, of a normal character.
